Mestenhauser and the Possibilities of International Education

Illuminating Pathways for Inquiry and Future Practice

Edited by **Anne M. D'Angelo, Mary Katherine O'Brien** and **Gayla Marty**

Series: Internationalization in Higher Education Series

Focusing on the depth and breadth of Josef Mestenhauser's work and his contribution to the area of internationalization of higher education, this book addresses the theoretical boundaries of the field of international education and the implications for practice and strategy. It considers key concepts and poses questions for discussion that make Mestenhauser's work accessible to new readers. Each chapter concludes with a challenge that will move the field forward through guided discussion and healthy debate in the practice of international education. This text is suitable reading for all those interested in the internationalization of higher education
